GENERATORS

PICTURES	MODEL	DESCRIPTION	PRICE
	EU1000T1A	Ultra Quiet 1000 watt inverter generator, Lightweight, Eco-Throttle for exceptional fuel efficiency, Oil Alert, Parallel operation and 12V DC charging with optional cables.	\$799.00
	EU20001A1	Ultra Quiet 2000 watt inverter generator. Lightweight, Eco-Throttle for exceptional fuel efficiency, oil Alert, Parallel operation and 12V DC charging with optional cables (available 2 wheel hadicart)	\$999.00
	EU200T1A3 COMPANION	Ultra Quiet 2000 watt inverter generator with 30A (120V) receptacle that allows the EU2000i Companion unit to be connected to any other EU2000i by way of a simple parallel cable to double the power (available 2 wheel handicart)	\$1,099.00
	EU2000i1A4 APG CAMO	Realtee APG design camouflage exterior version of the Ultra Quiet 2000 watt inverter generator. Lightweight, Eco-Throttle for exceptional fuel efficiency, Oil Alert, parallel operation and 12V DC charging with optional cable.	\$1,149.00

	EB2000IT1A	Industrial 2000 watt generator with Full GFCI protection to meet OSHA, NEC, LAETL regulations. 2000 watts (13.3A) of Honda Invertor 120V AC power, ECO Throttle. Protected by Oil Alert.	\$1,099.00
	EB3000CK2A	Industrial 3000 watt CycloConverter generator. 12V DC charging with optional cables, lightweight, quiet, GFCI OSHA compliant, Oil Alert.	\$1,439.00
	EU3000IS1A	Ultra Quiet 3000 watt inverter generator. Electric start, Eco-Throttle for exceptional fuel efficiency, Oil Alert, compact, parallel operation and 12 V DC charging with optional cables. EU3000is may only be operated in parallel with a EU3000is Optional wheel kits available.	\$1,999.00
	EU3000IH1A HANDI	Ultra Quiet 3000 watt inverter generator. Eco-Throttle for exceptional fuel and 12V DC charging with optional cables. EU3000i Handi may only be operated in parallel with a EU3000i Handi	\$2,299.00
	EG4000CLAT	Economical 4000 watt generator. DAVR maintains voltage stability within a +/- 1% of 60hZ, Oil Alert, OHV engine, Full Frame Protection, Large Fuel Tank with Fuel Gauge (Wheel Kit & Hanger Kit are optional)	\$1,499.00
	EB4000X	Industrial 4000 watt generator with Full GFCI protection to meet OSHA, NEC, LAETL, and ANSI regulations. Honda Exclusive iAVR Power allows for increased wattage up to 5000 watts to staert high amp load applications for up to 10 seconds, Oil Alert, OHV engine, Auto Throttle, Positive Locking Folding Handles, Wheel Kit and Hanger Kit Included.	\$1,899.00
	EM4000X	Deluxe 4000 watt generator. Honda Exclusive iAVR power allows for increased wattage up to 5000 watts to start high amp load applications for up to 10 seconds, Oil Alert, OHV engine, Auto Throttle, Positive Locking Folding Handles with Wheel Kit, Eclectic Start w/ Batter Included, 12V DC Auto Charging (with optional cord set)	\$1,999.00
	EG5000CLAT	Economical 5000 watt generator. DAVR maintains voltage stability within a +/- 1% of 60hZ, Oil Alert, OHV engine, Full Frame Protection, Large Fuel Tank with Fuel Gauge (Wheel Kit & Hanger Kit are optional).	\$1,699.00

	EB5000XK3	Industrial 5000 watt generator with Full GFCI protection to meet OSH, NEC, LAETL, and ANSI regulations. Honda Exclusive iAVR Power allows for increased wattage up to 7000 watts to start high amp load applications for up to 10 seconds, Oil Alert, OHV engine, Auto Throttle, Positive Locking Folding Handles, Wheel Kit, and Hanger Kit Included.	\$2,149.00
	EM5000SXK3	Deluxe 5000 watt generator. Honda Exclusive iAVR Power allows for increased wattage up to 7000 watts to start high amp load applications for up to 10 seconds, Oil Alert, OHV engine, Auto Throttle, Positive Locking Folding Handles with Wheel Kit, Electric Start w/ Battery Included, 12V DC Auto Charging (with optional cord set)	\$2,249.00
	EM5000IS1T	i-Deluxe 5000 watt generator. 120/240 inverter with Eco-Throttle and i-Monitor with on board self-diagnostics, folding handles, exceptional fuel efficiency, electric stat, batter included.	\$3,599.00
	EG6500CLAT	Economical 6500 watt generator. DAVR maintains voltage stability withink a +/- 1% of 60hZ, oil Alert, OHV engine, Full Frame Protection, Large Fuel Tank with Gauge (Wheel Kit & Hanger Kit are optional.	\$1,899.00
	EB6500X1	Industrial 6500 watt generator with Full GFCI protection to meet OSHA, NEC, LAETL, and ANSI regulations. Honda Exclusive iAVR power allows for increased seconds, Oil Aler, OHV engine Auto Throttle, Positive Locking Folding Handles, Wheel Kit, and Hanger Kit Included	\$2,599.00
	EM6500SXK2	Deluxe 6500 watt generator. Honda Exclusice iAVR Poer allows for increased wattage up to 7000 watts to start high amp load applications for up to 10 seconds, Oil Alert, OHV engine, Auto Throttle, Positive Locking Folding Handles with Wheel Kit, Electric Start w/ Battery included, 12V DC Auto Charging (with optional cord set)	\$2,699.00
	EU7000IAT1	Ultra Quiet 7000 watt 120/240V inverter generator, Two GFCI (20 amp, 120 volt) outlets, Electronic Fuel Injection, Electric start, Eco-Throttle for exceptional fuel efficiency, compact, I-Monitor with on board self-diagnostics, folding handles, 2 wheel kit, and battery included.	\$3,999.00
	EB10000AH	Industrial 10,000 watt generator, Digital Auto Voltage Regulator (DAVR), low noise, i-Monitor digital operation system, Honda GX630 V-Twin Engine, GFCI across all outlets, folding handle design, lifting eye, wheel kit 8.2 gallon fuel tank.	\$4,999.00

WATER PUMPS

PICTURE	MODEL	DESCRIPTION	PRICE
	WX10K1AT	Lightweight water pump, mini 4-stroke GX25 engine, 1 inch ports, 37 gal. per min. capacity, suction hose and strainer incl.	\$399.00
	WX15AX2T	Lightweight water pump, mini 4-stroke GXH50 engine, 1.5 inch ports, 72 gal. per min, capacity, hose clamps and strainer std.	\$499.00
	WH15XK2A	High pressure water pump, OHV engine, 1.5 inch ports, 127 ft. total head, 115 gal. per min, capacity, lightweight.	\$649.00
	WH20XK2	High pressure water pump, OHV engine, 2 inch ports, 141 ft. total head, 134 gal per min. capacity, lightweight.	\$699.00
	WMP20XA1	Multi-purpose pump, OHV engine, 2 inch ports, 220 gal. per min. capacity, for a variety of chemical applications.	\$549.00
	WB20XT3	General purpose pump, OHV engine, 2 inch ports, 152 gal. per min. capacity, rigid mount volute, heavy duty cast iron impeller, silicon carbide mechanical deals, full frame with isolation mounts.	\$429.00
	WB30XT3	General purpose pump, OHV engine, 3 inch ports, 275 gal. per min. capacity, rigid mount volute, heavy duty cast iron impeller, silicone carbide mechanical seals, full frame with isolation mounts.	\$549.00
	WT20XK4	Trash pump, OHV engine, 2 inch ports, and 187 gal. per min. capacity, silicone carbide seals, easy access clean out, special volute, wear plate and unique conical impeller (optional wheel kit.)	\$1,199.00
	WT30XK4	Trash pump, OHV engine, 3 inch ports, 319 gal. per min. capacity silicone carbide seals, easy access clean out, special volute, wear plate and unique conical impeller (Optional wheel kit.	\$1,399.00

	WT40XK3	Tash pump, OHV engine, 4 inch ports, 433 gal. per min. capacity, silicone carbide seals, easy access clean out, special volute, wear plate and unique conical impeller (optional wheel kit)	\$2,099.00
	WDP30XK1AT	Diaphragm pump, OHV engine, 3 inch ports, 80 gal. per min. capacity, dry priming special rock channel, air chamber, spring protected connecting rod. Wheel kit included.	\$1,899.00
	WSP33AA	Submersible water pump, top discharge, 1.25 inch port (FNPT), 20 ft. cable, 120V AC electric, 11 lbs, automatic float switch, 40 gal per min. capacity	\$229.00
	WSP50AA	Submersible water pump, side discharge, 2 inch port (FNPT), 120V AC electric 25 ft. cable, 36 lbs. automatic float switch, 110 gal. per min. 2 in solids.	\$599.00
	WSP53AA	Submersible water pump, top discharge, 1.5 inch port/ 2" adapter (FNPT), 120V AC electric, double lipped mechanical seal, 50 ft. cable, 27 lbs. automatic float switch, 70 gal. per min UL listed	\$479.00
	WSP73AA	Submersible water pump, top discharge, 1.5 inch port/ 2" adapter (FNPT), 120V AC electric, double lipped mechanical seal, 50 ft. cable, 27 lbs., automatic float switch, 74 gal. per min. UL listed.	\$529.00
	WSP100AA	Submersible water pump, side discharge, 2 inch port (FNPT), 120V AC electric, 25ft. cable, 41 lbs., automatic float switch, 150 gal per min, 2 in. solids.	\$699.00
